OVER HALF CENTURY OF SERVICE WHERE NEEDED THURSDAY, JUNE 26, 1960

What's The Use?

A man's life is full of trouble. He comes into the world without his consent and goes out usually against his will; and the trip between his coming and going is exceedingly rocky.

When he is little, the big girls kiss him, but when he is big, only the little girls kiss him. If he is poor, he's said to be a bad manager; if he is rich, they'll claim he's dishonest. If he needs credit, he can't get it, and if he's prosperous, everybody wants to do him a favor.

If he's in politics, they say he takes graft; if he is out of politics, he's not patriotic. If he gives to charity, it's for show; and if he doesn't, he's a stingy cuss.

Why Go To Church?

It may surprise some people to learn that about seventy million Americans do not claim to be members of any church. This is a large percentage of our population.

It does not surprise most of us these days to hear people admit they cannot agree with the dogma or doctrine, or iron-clad beliefs, of any certain church. Some of the people who feel like this do not, as a result, go to any church.

There are others among us who think that the church has strayed a long way from the original goals of Jesus. They criticize the churches for various things—too much hypocrisy, too much iron-headed submission to outmoded things, too little work among those who really need the church's help, too much extravagance, etc.

Naturally, in a free country, with many churches there will be mistakes made by churches, church governing bodies, by church officials and even by ministers. There always has been and there always will be such mistakes and perhaps some of the criticisms of the day are valid.

Perhaps many of the churches could better spend more money and effort on charity cases, and helping the really hard-pressed and desperate cases. But even if all the criticisms are valid, and even if some present day ministers have succumbed to a life of comparative ease, that has little to do with the individual's conduct toward a church.

To refuse to attend church services, then, because the church, or the officials and people who make it up, are not perfect, is immature reasoning. The church is trying to do God's work. And the church does good for so many. It inspires and comforts so many.

Perfect or imperfect, it is a force for good in this world. The forces of evil are strong. Surely we can take time out to support the leading organization in the world today which stands for the teachings of Jesus. And by supporting it, we set an example, and influence others, like the young to go the same road. So just by going we do good—for others, and for ourselves.

It saves so many.

Denmark and Naughton Mitchell left Monday for a stay of several weeks at Hot Springs, Ark.

Tom Watson, candidate for the presidency, protested the election in Bulloch County on the grounds that no election was held in the last election.

Bulloch County commissioners in session Monday employed county policemen and Ed Branan as county warden, who have already entered upon their duties.

From Washington comes the statement that an FCC examiner, who recently held hearings here and at other points to study the situation, has recommended that the Georgia & Florida Railroad, and subsidiaries, be permitted to abandon about 50 miles of operations in Georgia.

God has spoken to me in various ways and in many situations, but never so clearly as one morning in 1950. Jack, our only son, had left the day before for any training in preparation for overseas duty.

Brownie Troop 3 Fly-Up Ceremony

On Tuesday, May 17, Brownie Troop 3 had its Fly-Up Ceremony at the Girl Scout House in the Recreation Center. The Brownies carried out a theme, "Rainbow Up," which in Girl Scout language means graduating from Brownies into Girl Scouts, by using a lovely rainbow ceremony in which they "flew over" the rainbow into the Intermediate Girl Scout program.

At one end of the rainbow their leaders, Mrs. Maurice Brannen and Mrs. Henry Banks and their co-leader, Mrs. Rudolph Hodges, presented each girl with a Brownie star and a pair of Scout Wings to show that she had completed her three years of Brownie work.

At the other end of the rainbow, Mrs. Virgil Donaldson, coordinator of the Girl Scouts in Statesboro, reached into the "pot of gold" and drew out a shiny golden Girl Scout Trefoil pin for each girl. She then welcomed them into the Girl Scouting program for next year.

As a part of the program the Scouts gave an impressive flag ceremony. Bonnie Brannen and Maureen Brannen, troop leaders, gave the Pledge of Allegiance. Flag bearers were Barbara Banks and Helen Monroe. The entire group sang the Brownie version of "Somewhere Over the Rainbow" with original words written especially for this occasion.

Each Brownie was responsible for serving her own mother from the lovely rainbow array of refreshments.

The following girls, most of whom have gone through the entire three years of Brownies to date, are members of Troop 3 and participated in this ceremony: Helen Monroe, Anne White, Nancy Oliver, Maureen Brannen, Carolyn Tinker, Linda Carmichael, Vivian Rogers, Jane Altman, Aris Hodges, Carol Westrick, Renee Simmons, Jamie Lee Waters, Pamela Usery, Becky Atkins, Barbara Banks, Faye Barnes, Bonnie Brannen, Betty Brannen, Constance Clark, Teresa Crowley, Mandy Franklin, Sheila Garvin, Lynn Godbee, Lark Lanier, Angela Mock, Patsy Lowe, Marcia Rockwell, Lee Tilman and Emily Jo Deal.

An Impressive Service May 11

The Calvary Baptist Church was the setting for an impressive service for the late Mrs. J. H. Smith, held on Wednesday evening, May 11th.

The theme for the service, "A Story to Tell," was inscribed in gold on an open Bible which served as the altar centerpiece. An array of candles stood behind the Bible and was flanked with standing candles on either side. Atop the altar were gold and silver vases containing flowers of gold and white. Sprays of fresh ivy completed the G. A. colors of green, white and gold.

Mrs. Bill Kelly, wearing a gown fashioned of white lace, and a corsage of pink roses, led the service.

Mrs. Jimmy Hancock was at the organ and Mrs. Donald Scott brought the charges and made the presentation. The pastor, Rev. Austel Youmans, gave the benediction.

Let's go 1st class on concrete!

THESE ROADS IGNORE FATHER TIME! Modern concrete will last 50 years and more!

When they give you concrete—they're giving you a first-class highway. Reports from state after state show that concrete pavements have outlasted other types 2 to 1. The new roads will do even better!

Fifty years from now, cars will still be rolling smoothly on this same concrete... and the same surface. (It won't have to be resurfaced 4 or 5 times.)

Concrete grows stronger with age—doubles in strength in 20 years. Other paving materials act just the opposite. Sun, rain, freezing can't hurt concrete.

That's why it stays flat and smooth—doesn't get rippled and wavy. That's why upkeep costs stay so low—up to 60% lower than for asphalt.

Engineers build for your safety. Concrete means a skid-resistant pavement, and one that lets you see better at night. To learn more about how you can go first class on concrete highways, write for free new booklet.
